"Dan's thoughtful and careful presentation has the exact right amount of biblical basis and practical application to equip us for healing ministry. He and his team establish an environment of tangible grace to bring us balanced, authentic healing ministry.

*Rev. Dennis Day, Pastor, Oroville Nazarene Church, Oroville, California*

"Dan's teaching was tremendous - biblical, theologically sound, and without drama. Our people loved it - it felt real, natural, and do-able."

*Rev. Charlie Little, Pastor, Templeton Presbyterian Church, Templeton, California*

Dan's warm and informative teaching style along with the safe yet stretching environment for practicing what we learned about healing ministry were a great blessing. The biblically based model for healing ministry that he shared with us appeals to Christians across denominational lines.

*Rev. Mike Gleason, Pastor, First Baptist Church Orland, California*
